

PRICE GUIDE

Packaging options

INDIVIDUAL PACKAGING:

For any quantities:

- Ideal for shipping displays to multiple locations.
- For each unit, clips are packed in an individual zipper bag; and tubes are tied with rubber bands. The set is then bundled in a long polybag.
- Instructions included with each individual pack

ECO PACKAGING (BULK):

For 5 identical items or more:

- Get a higher discount **(+5%)**
- Lower the environmental impact of your order
- Save on shipping costs due to a more compact package.
- Clips packed together in bulk bags
- Tubes will be wrapped together with stretch film
- Your order will be safely and carefully packed

Mobility options

PROTECTIVE SLEEVE:

4" width: \$20 | **50% off** with display purchase*
5" width: \$24 | **50% off** with display purchase*

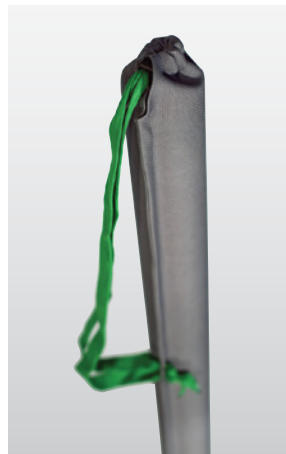

- Convenient velcro opening
- Protects your display's tubes & clips
